

Providing Quality Environmental and Construction Services while Exceeding Client Expectations

Allied Industries, Inc. is a certified Small Disadvantaged Enterprise (SDBE), 8(a) and HUB-Zone construction and environmental remediation services firm established in 1997 by experienced professionals and consultants in the environmental and construction industry. Allied has been dedicated to providing high-quality services in a cost-effective manner to its diverse client base. Since its inception, Allied has completed a myriad of environmental and construction projects requiring various construction disciplines. Allied is proficient in various contracting vehicles such as Basic Order Agreements, Multiple Award Construction Contracts, and Indefinite Delivery Indefinite Quantity Contracts. Additionally, Allied has extensive experience in Design-Build Projects, Lump Sum, Fixed Pricing, and Time and Materials Contracts.
